Seattle

Dear Janet, Edward and Pushbutton,

Thank you for the wonderful Xmass package. It was greatly appreciated, especially the music CDs. Music I can never find.

I tried Sneezy the Cat on one of the smoked mussels but she only licked all the oil off. I, on the other hand, enjoyed them thoroughly.

I seem to be cruising through the holidays okay. Jay Gore was out in Seattle caring for his dying mother and we spent quite a bit of time together... which was kind of a strain.

I hope you have a great time in New York... an easy town to have a great time in.

We should get together after the first of the year for a visit. The little "V-Garden" Chinese restaurant below me has pretty good food. Maybe a meal?

Everything best,
Jim
