Dear James,

Here's a copy of the "guest list" circulated during the dinner that preceded your talk at RPI.

Unfortunately, because of the time change, I missed your piece on CNN but I'm wondering if you could send me a copy of the New Yorker article on your work. I hear it is quite interesting and would very much like a copy. Also, if you have a copy of the CNN piece, I'll copy it & send it back to you.

Anyway, whatever you send will be appreciated.

Warmest regards,

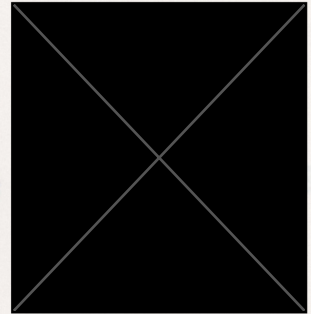

Maureen Nappi
