Jim,

It turned out I left early yesterday, around 3, to take Kyle for a haircut, so if you came by I missed you. Also, Fred Moody called yesterday afternoon with a message to relay if I saw you-- that he was meaning to see you today (Friday) rather than Thursday, and I hope you got that sorted out.

In any case, things are going fine, though I'm having too many 7:30 AM meetings. It's almost all Puget Soundkeeper related stuff.

How about we shoot for Tuesday morning at the Starlight-- I can drop by on my way to work. Hope all is well with you and that the Jackie mission was a success.

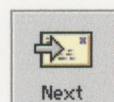

Best,
Tom
