Dear Janet, Edward & P. Button.

I don't know if you will be home
when I get there (I am on the bus now)
but I have a favor to ask. I have some
attachments in my "Inbox" from Embretta.
I can't open attachments in the Library but it
comes to pass that I couldn't open them at
Don Carver's either. (See next page). So could
you print them out for me?? This drawing is just
for this help and not a part of the major
"Underway Replenishment" (UNREP) at P.
Smith last week. That drawing is separate.

P.S. Jackie says hi!
