Dr. Peter Haug, Secretary General
German Nuclear Society
Heussallee 10
D-53113 Bonn
Germany

Dear Peter,

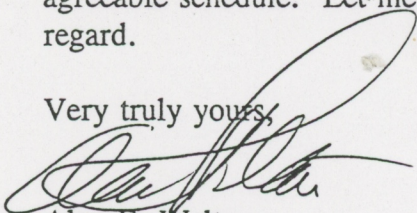

Attached, as promised are a couple of articles published in the New Yorker Magazine featuring Jim Acord, a nuclear age artist. As I indicated, Jim is a very good speaker and has attracted very favorable media attention in the United States. He won the American Nuclear Society Public Information Communication Award in 1994.

It is conceivable that he might be helpful at some point in conjunction with your "open forum" in Bonn. Should you wish to contact him, he can be reached as follows:

James Acord
1970 Saint Street
Richland, WA 99352
(509) 946-1572

You mentioned the possibility of my own participation in conjunction with your "open forum" activities. I certainly would be happy to participate if you feel I could be of value. The most difficult part to work out is an agreeable schedule. Let me know if you have further thoughts in this regard.

Very truly yours,

Alan E. Waltar
President
