Mr. James L. Acord
P.O. Box 159
Richland, WA 99352

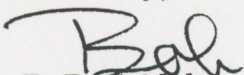

Dear Jim,

I want to sincerely thank you for giving those presentations at Argonne last week. I have received many positive comments from several who attended.

My wife, family and I also feel privileged to have had an opportunity to spend some time together. Joy quickly recognized, with exclamation, the newspaper article in the Sunday edition of the Idaho Falls Post Register. I've enclosed the section for you as a souvenir. She now knows someone very famous!

Wishing you the very best and thanks again for everything! Say, would you like to have some of the material we separate when our Fuel Cycle Facility starts up?

Sincerely,

B. R. Seidel

ya, sure!!
