Dearest Janet, Ed & Button:

Thank you so much for taking me in and putting me up. 40 hours without sleep and jet-lagging 8 hours - only my friendship with Button could get me through.

I didn't get a hold of Tom Putnam so am heading off on ~~East~~ Foot to get to the wedding. I'm leaving my suitcase and much of my stuff here - I hope that's ok. I'm just tired of hauling so much stuff around.

If I don't connect with you at Linely's wedding, I'll call you.

All best, Jim
