Dear BANI,

Thank you for writing. It was good to hear from you.

Of the four flight plans you suggested I would like to select number one: the KLM flight from Seattle to Amsterdam to Barcelona and back.

Out of my own curiosity as much as anything I will go to the Internal Revenue Service's offices and ask for a document stating that I filed a tax report last year. I have no idea what they will say but it should be interesting.

Other information you asked for is:

Date of birth: 10-19-44

Passport number: 2198769091USA4410193M1611070

Full name: JAMES LEROY ACORD

I will send a photo image in the next few days via a friend.

Contact me in confidence if you need anything else from me and, until then,

Every best wish,

James
